Assembly

More pictures are included on the next page

- Cut off a 15" length of green yarn
 - Weave the yarn through one of the stitches of the final round of the body
 - Push the needle straight through to the opposite side of the body and weave the yarn through one of the stitches in the first round
 - Push the needle straight through to the other side of the body and weave the yarn through another stitch in the final round
 - Place the body on a flat surface and push your finger into the top of the body while pulling the yarn tight to create a dip in the top and bottom
 - Tie off the yarn
- Sew the leaf onto the top of a long stem
- Sew the stem with the leaf onto the top of the body
- Sew the cheeks on either side of the eyes
- Sew the remaining two long stems on either side of the body to form arms
- Sew the two short stems on either side of the body to form legs
